

Reef 250mm Round Exhaust Fan and LED Light with 290mm Dia Cut Out in White

\$259.00

DESCRIPTION

Introducing the Reef Exhaust Fan with LED Light in white - the perfect addition to any bathroom, laundry or kitchen. This sleek and modern exhaust fan is designed to quickly and effectively remove moisture and unwanted odours from your home, while also providing bright and energy-efficient lighting.

The Reef Exhaust Fan is equipped with a powerful yet quiet motor, ensuring optimal performance without disrupting the peace and quiet of your home. Its low profile, minimalist design make it easy to install in most ceiling cavities, while its white finish seamlessly integrates with any home decor.

This exhaust fan also features a built-in LED light, providing bright and efficient lighting for your bathroom, laundry or kitchen. The LED light is energy-efficient and long-lasting, saving you money on your energy bills.

The Reef Exhaust Fan is also designed with your safety in mind. It features a thermal cut-off switch, ensuring that it automatically turns off if it overheats. Its IP22 rating makes it suitable for installation in damp environments, while a built-in backdraft stopper prevents cold/hot air and odours from re-entering the space.

Overall, the Reef Exhaust Fan with LED Light is a practical and stylish addition to any home. Its powerful motor, energy-efficient LED light, and low profile, minimalist design make it a standout choice for those seeking value and simplicity in their exhaust fan and lighting solutions.

Available in 2 sizes, in both a square or round profile, and also available without LED light.

Don't forget to add our range of Lucci Air flexible ducting and ducting accessories to complete your exhaust fan installation.

PLEASE NOTE: 250mm refers to the fan motor diameter within the exhaust fan body. Please see dimensions and specifications for overall unit & fascia dimensions.
