

Mett IP Round Exhaust Fan with 240mm Dia Cut Out in Black

DESCRIPTION

The Mett IP Water-Resistant Exhaust Fan is expertly designed to effectively extract air and steam from bathrooms and wet areas. An all-in-one centrifugal exhaust package, it fuses minimalistic design with modern features. With an IP rating of 24, it is a safe choice for over-shower installation, while a built-in backdraft stopper prevents cold/hot air, pests and odours from re-entering the space. Available in matte white or matte black, the Mett IP Exhaust is a clean and contemporary update for modern bathrooms.

Don't forget to add our range of Lucci Air flexible ducting and ducting accessories to complete your exhaust fan installation.
