

Fjord 1 Light Flush Mount in White

\$189.00

DESCRIPTION

The Fjord 1 light flush is a stunning lighting fixture that embodies a modern, organic aesthetic with Japandi influences. Its pebble-like shape is both unique and stylish, adding a touch of natural beauty to any interior decor.

Available in stone, black, clay, and natural finishes, this flush mount perfectly complements the Fjord Pendant range, creating a cohesive and sophisticated lighting scheme in your home or office.

Crafted from high-quality gypsum, the Fjord 1 light flush has a soft and chalky texture with a smooth finish, adding a sense of elegance and refinement to its natural shape. The stone finish has a warm stone colour with small pits and bubbles, giving it a natural look and feel. The black finish is chalk-like with similar pits, while the clay finish resembles travertine with deep, warm undertones and a pitted texture.

Measuring 280mm in diameter, this flush mount is a perfect fit for any space, providing ample lighting while maintaining a streamlined profile. Its organic shape and natural finishes create a peaceful and serene atmosphere, making it an ideal choice for bedrooms, living rooms, and other intimate spaces.

The Fjord 1 light flush is a stylish and sophisticated lighting fixture that brings a touch of natural beauty to any interior decor. Its unique pebble-like shape and organic finishes, coupled with Japandi influences, create a sense of elegance and refinement that perfectly complements any modern aesthetic.
