

## Blythe 1 Light Floor Lamp in Black with Bronze Details

### DESCRIPTION

Introducing the Blythe 1 light floor lamp, an exceptional piece that boasts a contemporary design and high-quality materials. The lamp is available in a stunning bronze finish with a sleek black shade that will complement any modern interior. With a height of 1740mm, length of 480mm, and width of 300mm, this floor lamp is perfectly sized to light up any space. The socket is GX53, and the lamp accommodates a 1 x 12W MAX globe (not included), backed by a 12-month warranty.

The Blythe floor lamp features a mix of materials that adds to its appeal. From black to bronze to a prismatic glass shade, the lamp creates a stunning display and refracts light to provide even and glare-free illumination. The solid marble base adds a touch of elegance and stability to the lamp, making it perfect for use in any room.

One of the standout features of the Blythe floor lamp is its adjustable shade, which can be tilted to direct the light where it is needed. This functional design element makes it ideal for use in reading nooks, home offices, or any space where focused lighting is required.

Experience the beauty of the Blythe 1 light floor lamp and add a touch of contemporary style to your interior design.
