

MFL By Masson Tanimi LED Bollard in Concrete

\$449.00

DESCRIPTION

Inspired by the Australian landscape, the Tanimi range features architectural shapes and naturalised materials that create a unique, earthy look. Experience the rugged beauty of Australia's arid landscape with the Tanimi collection. Inspired by the designer's travels through remote regions, these concrete-based products are formulated and colour-matched to seamlessly blend with the natural elements of Australia. Able to endure the harsh coastal landscapes and the scorching sun, the Tanimi collection is coastal rated and comes with a 5-year warranty, providing you with a reliable solution for years to come.
