

Peninsula LED Adjustable Warm White Spot Light in Black

\$269.00

DESCRIPTION

Discover the Peninsula collection, elevating your outdoor space into a realm of precision and sophistication. Its zoomable lens and adjustable beam angle empower you to illuminate with exactness and flair, be it accentuating your garden or washing large areas with soft light, the Peninsula has you covered.

Crafted from commercial-grade materials, the Peninsula stands as a beacon of endurance against coastal elements, underpinned by a reassuring 5-year warranty. Installation is a breeze, with high lumens ensuring a stylish outdoor illumination. Embark on a luminous upgrade today with the Peninsula Garden Light, redefining your outdoor ambiance with finesse.
