**\$369.00**

### DESCRIPTION

The Hana floor lamp effortlessly combines modern design with natural elements, making it a beautiful addition to any home. Available in black, it features a cylindrical shape and a natural linen shade that strikes a great balance between style and functionality.

Hana offers a contemporary and organic look. The see-through shade lets the frame peek through, forming a modern grid pattern that adds a touch of visual interest to your space.

Made from high-quality metal and natural linen, the Hana floor lamp is both sturdy and elegant. The metal frame ensures stability and long-lasting use, while the linen shade gives off a gentle, diffused light that creates a cosy and inviting atmosphere.

For a cohesive aesthetic, consider pairing the Hana table lamp with the matching table lamp.
