

MFL By Masson Edge LED Wall Bracket in White

DESCRIPTION

The Edge is not just any ordinary flood light, it is a powerful illuminator that sets a new standard in area lighting. With a minimum of 1600 lumens and up to 2000 lumens, this product is a true powerhouse that delivers exceptional brightness and clarity. Whether you need it for interior or exterior applications, the Edge is a versatile solution that will exceed your expectations. Thanks to its dimmable feature, you can adjust the brightness to create the perfect ambiance for any occasion. Its large back plate makes it easy to install, and with a 5-year warranty, you can rest assured that it will last for years to come. Illuminate your space with the Edge and experience the power of superior lighting.
