

Flume 1 Light Batten Fix in Black

\$129.00

DESCRIPTION

The Flume DIY batten fix is a modern mid-century marvel that effortlessly transforms your space. This metal fixture, available in white, black, and aged brass, mounts straight over a batten holder, serving as both a ceiling or wall light. The concave bowl design gracefully supports large decorative globes, casting a unique light effect. Perfect for bedrooms, halls, and small spaces, the Flume DIY batten fix offers a sleek and stylish solution with a 12-month warranty. Elevate your space with its simple yet sophisticated design and embrace the ease of DIY customisation.
