

Cali 3-in-1 Bathroom Heater, Exhaust Fan and Light in White with 2 x 275W Heat Lamps

\$159.00

DESCRIPTION

Introducing the Lucci Air Cali 3 in 1, your versatile bathroom companion that combines a heater, exhaust fan, and light in a sleek matte white design. Crafted for efficiency, the sustainable LED central globe ensures eco-friendliness and cost-effectiveness, providing cool white illumination for bathroom tasks.

The replaceable heat lamps also deliver warmth for those chilly mornings, especially with the efficient infrared (IR) heating technology. IR heat lamps offer efficient heating by directly warming objects and surfaces, creating a natural and comforting warmth. Consider placing the unit where you step out of the shower or bath for optimal functionality, establishing a cozy post-shower environment.

Available in two sizes: the 2-heat light model for smaller spaces and ensuite, and the larger 4-heat light version for spacious family bathrooms. The package includes a ducting kit with an external vent and a wall switch for seamless operation.

For personalized advice on calculating airflow requirements, get in touch with our dedicated sales team. Elevate your bathroom experience with the Lucci Air Cali 3 in 1, where efficiency meets style for a refreshed and comfortable space.
