

Sierra 5 Light Large Pendant Uplighter in Textured White

DESCRIPTION

The Sierra Pendant Collection marries mid-century minimalism with a Mediterranean-inspired finish. Its crescent-shaped, textured white bowl, available in three sizes, brings an air of simplistic elegance. The pendants boast a rod suspension, a tilt function for easy cleaning, and a hidden diffuser to enhance light distribution.

These uplights are perfect for creating a soft, inviting atmosphere in living rooms, dining spaces, and bedrooms, thanks to their indirect glow. Versatile in design, they can be mounted as eye-catching pendants or discreet close-to-ceiling lights, with ES lamp holders allowing for globe customization according to the room's ambience.

Tip: Choose globes with a CRI above 85 to ensure colours in your space appear vibrant and true to life, adding to the aesthetic appeal.
