

Leyndell 142cm DC Fan with Light in White with Optional Brass Details

\$579.00

DESCRIPTION

The Leyndell fan, a 142cm classic, exudes timeless elegance with its traditional design. Available in bronze or white with brass details, it features three ABS blades and a DC motor for superior performance. The six-speed USB-C remote ensures easy control, and its alfresco rating makes it perfect for outdoor use. Wi-Fi adaptability adds modern convenience to this sophisticated fan.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Remote Control

6-speed rechargeable remote control. *USB-C cord and charger are not included. Our rechargeable remotes currently do not support USB-C fast charging, a USB-C to USB-A cord is required. For instructions on how to pair the remote, please follow the steps in this video: [Remote Pairing](#)

Smart Compatible

Insert the Lucci Connect Wi-Fi Module (sold separately) into the receiver to activate smart functionalities. Once paired with the Lucci Connect app, you can turn your fan on/off, adjust its speed, set timers, and even create schedules based on the temperature outside.

Light Included

Included is a bright GX53 globe with 3 step dimmable warm white LED light.

Alfresco Rating

Suitable for indoor and alfresco areas provided the fan is fully undercover, protected from water, wind, dust, and salt, with a minimum of 2 walls.

Recommended Room Size

For rooms between 4m x 4m or greater, we recommend a fan between 142cm and above.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year,

which means you'll enjoy a 3-year in-home warranty.
