Abacus 16 Light LED Colour-Shifting Multi Drop Pendant in Black with Frosted Opal Glass

DESCRIPTION

The Abacus collection is a celebration of form and function, where varying-sized orbs of light are poised in a stunning visual arrangement. The single drop option within this collection presents a sleek and elegant pendant that can also be transformed into a wall light, thanks to its versatile bracket.

This adaptable design is ideal for creating a point of interest beside the bed, in powder rooms, or as a cluster in a small void. It can even serve as a chic, eye-catching end piece above an island bench. Its simplicity lends itself to a variety of settings, ensuring that whether used individually or in multiples, it creates a unique focal point.

The Abacus collection offers three distinct finishes to suit your style preferences. The brass with opal glass shades exudes timeless elegance, perfect for brightening modern spaces. Meanwhile, the bronze finish with sepia glass shades offers a warm, mid-century-inspired glow, ideal for adding a touch of nostalgia and warmth. For a sleek, contemporary aesthetic, the black finish with matte opal glass shades enhances any space with a modern touch.

The Abacus collection is integrated with energy-saving LEDs and includes Scene Control from the wall for greater flexibility, allowing you to personalise the colour of light output throughout the day. Accessing these scenes is incredibly easy via a standard wall switch. Flick Off/On within 3 seconds to cycle through the three scenes – Cool White (4000K), Warm White (3000K), and Daylight (5000K). This innovative feature ensures the Abacus collection is not only visually striking but also technologically adept, meeting your lighting needs with a simple flick of a switch.

SPECIFICATIONS

SKU	028147
Dimmable	Yes
Globe Type	Integrated LED
Globe Quantity	16
Wattage Max	56W
Kelvins	3000K/4000K/5000K
Lumens	3000
Efficacy	45.5
Voltage	240V
Double Insulated	No
Height (mm)	600
Weight (kg)	8
Brand	LUCCI
Globe Included	No
Suspension (mm)	3000
Product Type	Lighting
Width (mm)	600
Colour/Finish	Black, White
Style	Modern
