

Lucci Power Industrial Dryer in Grey

\$199.00

DESCRIPTION

The industrial dryer is a robust solution for efficient drying needs. Finished in sleek grey, it boasts 165W of power, offering three adjustable speeds to suit various drying requirements. With four operational positions, it's versatile enough to tackle floors, walls, or ceilings with ease. Trusted by painters and other professionals alike, its applications extend from drying walls and drying carpets to automotive detailing, or even aiding in construction projects. Elevate your drying process with reliability with the industrial dryer.

Key Features:

- **Efficient Drying:** Significantly reduces drying time, saving both time and energy
- **Portable & Lightweight:** Easy to move and use in various settings.
- **Durable Build:** Constructed with high-quality materials for long-lasting performance.
- **Versatile Applications:** Ideal for drying floors, carpets, vehicles, and more.
- **Adjustable Positioning:** Offers 4 operating positions: 0°, 15°, 45°, and 90°.
- **Variable Speeds:** Features 3 operating speeds for customized drying.
