

Mechanics 1 Light Cage Pendant in Black

\$109.00

DESCRIPTION

The Mechanics 1 light pendant adds that industrial feel to a home. Mixing unique styles and materials is a key trend with industrial-chic meeting vintage-warmth with geometric shapes and rustic finishes. Darker, matte colours and exposed bulbs like in the Mechanics pendant add an *organic architectural* appeal to contemporary decor. This would be great to use over a kitchen bench or hang this over a bedside table. Think about clustering these pendants to add that point of interest. [Click Here](#) for Installation Details.
