

Karbon 25W ES Clear Pilot Globe

DESCRIPTION

The Karbon 25W Pilot globe is a replica of the original straight-sided carbon globe. This may be used in many new light fitting designs, like semi-flush bowl pendants and chandeliers. This globe will provide a warmer glow compared to the traditional incandescent or halogen GLS globes. Whilst you may not wish to light an entire room with this globe, they are perfect for creating an intimate pool of light over a particular area, such as an alfresco or dining table. This globe is not intended for general purpose illumination applications. It is designed to emit low light levels.

SPECIFICATIONS

SKU	101411
Brand	Lucci Globo
Weight (kg)	0.1
Globe Type	ES
Globe Shape	Pilot (ST64)
Colour Temperature	Warm White
Kelvins	2200K
Wattage Max	25W
Lighting Technology	Karbon
Globe Quantity	1
Product Type	Globes
Depth (mm)	0
Height (mm)	140
Recommended Wattage Max	40W
Width (mm)	64
Voltage	240V
Extension Rod	No
Poles	No
