

Centre Feed Track Joiner in Black

\$31.95

DESCRIPTION

This centre feed track joiner allows the wiring/power feed to come into the centre of a Lucci Track system. Simply replace the 'live end' that comes as standard and install this joiner either between 2 tracks (or cut the track in half and place this in the middle). Note: an extra 'dead end' will be required to replace the original live end. Compatible with Lucci track system and accessories (sold separately).
