

Harbour 1 Light Adjustable Wall Spot in Copper

\$179.00

DESCRIPTION

The beautiful Harbour range is made from real copper with brass highlights. The range is extensive with wall lights and Garden lights are the wall lights are all 240V for easy connection and you get to choose the right GU10 globe to suit the application, the Garden spike lights and bollards and utilise our DIY Quick connect system. If looking at the Garden lights don't forget to choose the wiring KIT and drivers/transformers. The copper surface of the Harbour range gradually changes as it interacts with its surroundings, with the speed and depth of patina depending on the setting, especially in coastal or humid locations.
