

Lucci Marine Exterior 12V Up/Down Wall Bracket in Marine Grade Stainless Steel

\$209.00

DESCRIPTION

The Lucci Marine series is built from Marine grade 316 SS all I can say is you need to touch and feel this item, and you will be convinced it's a Quality product. The range is either GU10 240v for the wall lights and 12v MR16 for the spoike lights, inground lights and the step lights. There is also a 12V wall light and an up/down for those areas where 12V is needed. Dont forget to choose the wiering KIT and drivers/transformers.
