

LEDLux Alert 2 Light Floodlight in White with Sensor

\$179.00

DESCRIPTION

The Alert spotlight with a built-in sensor is an ideal lighting solution for those areas around your home that need illumination in low-light conditions. This versatile Alert floodlight, available in both single and double light configurations, offers the added convenience of a manual override function. These security lights are designed to withstand coastal environments and boast an IP44 rating for durability. The energy-efficient cool white LEDs produce a brilliant 700 lumens of light per head, with a total power consumption of 24 watts when both lights are activated. Available in black and white options.
